FROM: ED STERN
SUBJECT: FEBRUARY 13, 2008 FINANCIAL COMMITTEE MEETING
DATE: MARCH 26, 2008

Attendees: Ed Stern, Linda Berry-Maraist, Mary McClure, Mary McCluskey

A Financial Committee meeting was held on Wednesday, February 13, 2008 at Hotshots Coffee House in Poulsbo.

- What: Logistics and feasibility of a North County (correspond to NKSD boundaries?) Metropolitan Parks District to correspond with O&M of String of Pearls concept, but also larger community concerns of parks development, O&M, and parks programs; sustainability being the core concept, financially for all these efforts.
- How much of an increment possibly involved: first take \$1-3MM and political feasibilities and reasonable expectations around this. Grass roots involvement being critical. Communities of the north end realities have to be recognized.
- Future: Continue the conversation. City of Poulsbo Community Services Committee being home-base for initial conversations around all of this.
